

# ARMORSHIELD

JOBSITE PROTECTIVE COATING

## UNMATCHED PROTECTION

Sprayed onto the finished surface of the product, Armorshield dries instantly to create a thick protective coating that guards against most jobsite damages, saving you time and money.

## PEACE OF MIND

This factory installed UV-resistant coating stays firmly in place and protects the product's brilliant porcelain finish in all conditions.

## EASILY REMOVABLE

When the job is finished, Armorshield easily peels away to reveal the untouched, glossy surface.

## OPTION DETAILS

- Available on all Bootz bathtub and shower base models.
- To order, add an "A" at the end of the model number (XXX-XXXX-XXA).
- Large orders may require extended lead times. Contact Customer Service for details.

---

## EXTENDED WARRANTY\*

Armorshield comes with an unmatched no-charge repair guarantee on damages caused by normal jobsite wear, including:

- Nails and screws on floor
- Food and drink
- Tobacco stains
- Scuff marks from ladders, stilts, boots and drywall/lumber scraps

\*Extended warranty excludes damages from Acts of God such as fire, wind, flood and earthquake; or other abuse or misuse or faulty workmanship; gross negligence; impact to front or rear from hammers, drills, or other job site tools and forklifts or other powered implements, nails or screws driven through the liner and into the unit; vandalism or intentional inflicted damage.
