- Subway tile pattern
- Realistic grout texture
- Wall-to-wall storage niche
- 4-interlocking pieces
- Lightweight composite material
- Available with reinforced backing for FHA grab bars

Affordable Tile Style

Subway tile design and realistic grout texture without the upkeep or high price tag.

Practical and Stylish Storage

Spacious wall-to-wall niche with a beautiful mosaic tile pattern.*

Fast Installation

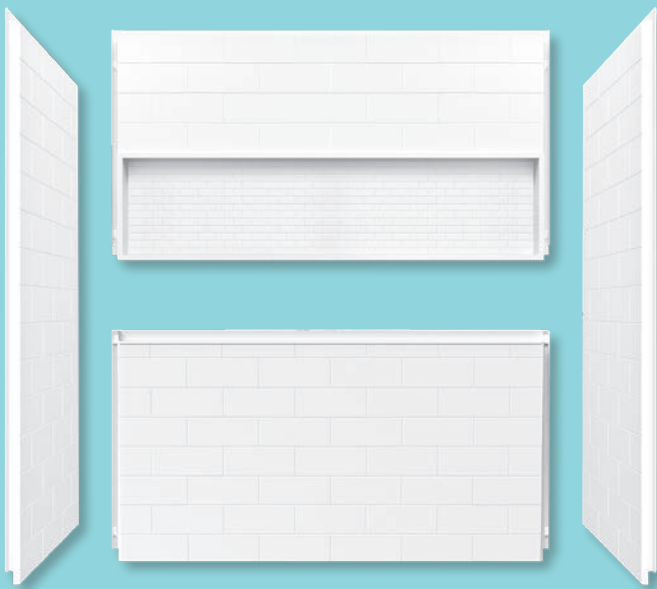

Quick, 1-person direct-to-stud installation. The connection system locks walls firmly in place.

Easy Maintenance

Grout-free panels in glossy composite material are simple to clean and maintain.

FHA Grab Bar Compatibility

Code-compliant reinforced backing option ensures secure FHA-compatible grab bar mounting.

UNIQUELY YOURS

* Showcase the niche's mosaic tile pattern, or customize with real tile for a personal touch.
