

PORCELAIN-FINISHED SHOWER BASES

Now with Multiple Drain Options

PROVEN STRENGTH

Known for its strength and pliability, steel has the perfect mix of properties to build bathtubs that last. Bootz has pressed durable tubs out of steel since 1938!

BRILLIANT AND BEAUTIFUL

The brilliance of porcelain is timeless and classic. Its delicate finish is matched only by its tough performance—the perfect canvas for showcasing tile walls.

EASY REMODEL FOR SAFETY

Low threshold bases combine clean styling and easy access. Sizes are perfectly matched to standard tub dimensions, and end-drain locations mean no need to re-plumb.
