DESCRIPTION:

Caulkless versions of Aloha comfort-back bathtub (AFR also available) and NexTile FHA wall set combine to form a caulk-free water containment system and quick 1-person direct-to-stud installation without messy and time-consuming caulk application. NexTile FHA 4- piece surround is equipped for grab bar installation and features full length storage niche for bathing essentials, realistic subway tile pattern and grout texture. For a custom look, real tile can be installed in the niche for endless colors, patterns and texture. The glossy composite finish and realistic grout are engineered for ease of cleaning and perfectly compliment the sanitary, chemical and stain-resistant, highgloss bathtub finish of the best-selling Aloha and Aloha AFR. Aloha features comfortable reclined lumbar support and all the benefits of porcelain for comfortable relaxed bathing luxury. Bathtub available with optional ArmorShield jobsite protective coating. NexTile caulkless feature only available as a system.

Aloha complies with ASME A112.19.1/CSA B45.2

NexTile FHA complies with CSA B45.5/ANSI Z124

and Fair Housing Act ICC A117.1 (ANSI Type B)

Both made in the USA.
